

BIOMIMICRY

DesignLens

USAGE GUIDELINES

If you find you need to place an individual graphic into another document or share these tools online, please use the appropriate creative commons files available for download from [Biomimicry.net/DesignLens](https://biomimicry.net/DesignLens)

CREATIVE COMMONS

We share the Biomimicry DesignLens with you via a Creative Commons (CC) license. Each lens embodies our deep understanding of specific content and our CC designations reflect how we believe they should be best used and shared. We ask that you respect our CC designations when sharing any of these graphics with others. If you would like to use a graphic under a different permission, please contact us directly. For more information about Creative Commons, visit creativecommons.org/licenses. The specific designations used for our graphics are outlined here:

BIOMIMICRY CC-BY-NC-SA	ESSENTIAL ELEMENTS CC-BY-SA
LIFE'S PRINCIPLES CC-BY-NC-ND	BIOMIMICRY THINKING CC-BY-SA
CHALLENGE TO BIOLOGY CC-BY-NC-ND	BIOLOGY TO DESIGN CC-BY-NC-ND

CC Creative Commons

BY Requires attribution/credit to Biomimicry 3.8

NC Non-commercial uses only

SA Share alike. Derivatives must have the same CC license

ND No derivatives (Please contact us for translation into other languages)
